

SOCIETY

S. M. C., who was until very recently stationed with the first battalion at Cavite. Lieut. Wynne is now borne on the books of the Newark, but is ashore at Tientsin with the others from the same station. Lieut. Wynne was very popular in social circles here when the Oregon was in port on her way to Manila.

Bishop and Mrs. Willis gave an at home yesterday afternoon in honor of Rev. and Mrs. Lee. It was a pleasant affair and afforded an opportunity for the church people to meet the pastor who is temporarily filling Rev. Alexander Mackintosh's pulpit at the Cathedral. Among those present were Mrs. Alexander Hawes, Jr., Miss Ewart of Kauai, Mrs. Walter Hoffmann, the Misses Walker, Mr. and Mrs. D. Howard Hitchcock.

The engagement is announced of Miss Braunerseuther, only daughter of Lieut. Comdr. Wm. Braunerseuther, U. S. N., at present captain of the port of Manila, and Lieut. Edwin D. Bricker, Seventeenth Infantry, U. S. A., says the Argonaut. The Lieutenant Commander was last here on duty with the Charleston as navigating officer, and his daughter has many friends in Honolulu.

Mr. and Mrs. A. G. Hawes, Jr., gave a dinner party Thursday evening. The guests were Mr. and Mrs. Hanson, Mr. and Mrs. Hatch, Mrs. Maxwell, Miss Dotie Widdifield, Mr. Addison Mizner and Dr. Garvin. The table was decorated with carnations, with leis at each place attached to the menus.

Dr. and Mrs. Walter Hoffmann on Monday entertained at dinner Mr. and Mrs. Suhr, who leave for the Coast next week. The table was decorated in a tasteful manner. The other guests were Mr. and Mrs. A. Hanneberg and Mr. and Mrs. Potentbauer.

Mrs. Jacob Moritz and Mrs. Gustav Simon, who have been visiting with their parents, Mr. and Mrs. Louisson, for the summer, leave for their homes on September 15. Mrs. Simon returns to Portland, Oregon, and Mrs. Moritz to Salt Lake City, Utah.

There is a rumor that a battery of the Third Artillery may be sent to Honolulu. The advent of a few more army officers would be a welcome addition to social circles and to the depleted roster of officers now at Camp McKinley.

Mr. and Mrs. Dudoit are expected home on September 1 from an extended visit in Europe and on the Mainland. Mr. and Mrs. Hanneberg, who have been occupying their residence, will, upon their return, move to Waikiki.

Mr. and Mrs. Charles T. Wilder (nee Burr), who were recently married in New York, arrived from the East on Wednesday. They intend to spend part of their honeymoon in Honolulu—Argonaut, August 12.

Mr. and Mrs. Edward Suhr will leave on the Warrimoo on August 29 for Victoria, whence they will go to Banff Springs, Canada, for several weeks.

Mr. Frankus, who has been at the Queen's Hospital for several weeks, is now convalescing at the residence of Alex. Isenberg, Punahou.

Lieut. Henry Merriam, who was stationed in Honolulu with Gen. Chas. King, is en route for China with the Third Artillery.

Mr. and Mrs. C. A. Elston were guests at the California Hotel, San Francisco, when the last steamer sailed.

Mrs. Chas. A. Elston has become a golf enthusiast on the Coast and will shortly appear in a tournament.

Mrs. V. H. Kitchin has gone to Kauai for a few weeks' visit with Lady Herron.

Miss Anna Widemann went to San Francisco by the steamer China.

DRIVING ASSOCIATION MEETING LAST NIGHT

The meeting of the Honolulu Driving Association was held last night in the Hawaiian Hotel. Hitherto the members have been competing for merely nominal prizes and the races held have passed off smoothly enough, but now that substantial prizes are in sight, all this is changed and every one appears to be suspicious that his neighbor is bent on handing him the short end of it in the shape of a "ringer."

Many unfortunate insinuations of this kind were made at last night's meeting, when a committee of classification was thought necessary and a resolution to that effect carried, only to be almost immediately decapitated by virtue of a subsequent movement to hold all races under the rules of the National Trotting Association, which countenances no such nonsense as a classification committee.

James Quinn's contention that the only way to class a horse was on its merits was beyond a shadow of a doubt correct and Dr. Clapham's remark that the members of the Driving Association were honest men and would not put a 2:30 horse into a 2:40 class race was very pertinently made and gave evidence of a true sporting spirit.

Larry Dee was in the chair and called the meeting to order at 8 o'clock.

The report of the committee appointed to confer with the Labor Day committee, was read and carried over until Monday. It is uncertain whether the Labor Day people will be in a position to hand over the \$500 for purses demanded by the Driving Association.

It was moved that two more directors be appointed, making the number of the directorate nine, exclusive of the officers. Prince David and Dr. Monsarrat were unanimously elected.

The entries for the Labor Day races will close at 4 p. m. on Friday, August 25. Futile contention took up the rest of the time until, finally, most of the members withdrew and the meeting closed.

The treasurer of the Honolulu Driving Association reports 127 members and \$105 in hand. The chartered members' list will close at 150.

The directors will meet on Sunday morning to decide on the purses. A six-furlong running race has been included in the Labor Day program. The following are the races and entries up to the present:

1:00 class—Walter W., Billy V., Artie Fred Kros and Hero.

2:40 class—Dan McCarthy and Monogose.

2:34 class—Albert M., Silas S. and Lustra.

Free-for-all—Octoroon and Dan McCarthy.

1/4 mile dash—Sir Cassimir.

1/4 mile dash.

The harness races will be conducted under the National Trotting Association rules and running events under California Jockey Club rules. Entries close on Friday, August 25, at 4 p. m., at the Club Stables.

WHAT HONOLULU PEOPLE

Say About Doan's Backache Kidney Pills is Good Proof for Honolulu People.

When we see it ourselves—When our own ears hear it—When our own neighbors tell it—When our friends endorse it—No better evidence can be had. It's not what people say in America, or distant mutterings from Australia.

But, it's Honolulu talk by Honolulu people. There is no proof like home proof. Can you believe your neighbors? Read this statement made by a citizen:

Mrs. Grace Dodd of 524 Young street, this city, informs us: "My sufferings were of a complicated nature; I had enlargement of the liver according to the doctors' diagnosis, and besides this was troubled with severe pains in the right side, and a lame back. I had these backache pains for two years, and so severe were they at times that they prevented me from sleeping. All the medicines I tried were of no avail until I got some of Doan's Backache Kidney Pills at the Hollister Drug Co.'s store, and used them. The benefit obtained was wonderful; the backache was entirely relieved and I cannot be too grateful for this since I now enjoy good sleep—one of the chief of Nature's blessings."

It is important to get the same medicine which helped Mrs. Dodd, DOAN'S BACKACHE KIDNEY PILLS. Therefore ask for Doan's Backache Kidney Pills.

Doan's Backache Kidney Pills are sold by all chemists and storekeepers at 50 cents per box, six boxes \$2.50, or will be mailed on receipt of price by the Hollister Drug Co., Honolulu wholesale agents for the Hawaiian Islands.

UTILIZED THE CIRCUMSTANCE. Sniff—"Have you been to see Maybelle Trot-Trot in 'A Woman's Chin'? It's the most realistic acting I ever saw. She gets a divorce in the third act each evening."

O'Shawn—"That wouldn't necessarily be very realistic. Besides, one may see that in a good many plays."

Sniff—"Yes, I know it; but this is a genuine divorce."
